VALUES

family

Sermon Series Feb 10 – April 7

Every family has a set of values whether they have written them out or not. Open your family calendar & checkbook and you'll quickly see what you value. Some families are more intentional than others about living out their values. Some value time together. Others value experiences like trips, vacations, or sports & other programming for their children.

As a church family, we are going to walk through the Gospel of Mark to learn what Jesus values. We will ask ourselves, "Do our family values line up with Jesus' values?" and take steps each week to align our family values with God's values for our lives.

Shepherd's Gate is now hiring a **part-time Nursery Worker and Student Assistant**. Nursery Worker must love infants and toddlers, enjoy caring for them and be willing to share Jesus in their time together. Position requires flexible work hours—various days & evenings throughout the week. Student Assistant should be gifted in administration, be able to assist and enhance our junior/senior high and young adults programs, and available Wednesday nights for Youth Group.
