

SHEPHERD'S GATE

A place to call home.

MARCH 2019

SERMON SERIES NOW – APRIL 7

Every family has a set of values whether they have written them out or not. Open your family calendar & checkbook and you'll quickly see what you value. Some families are more intentional than others about living out their values. Some value time together. Others value experiences like trips, vacations, or sports & other programming for their children.

As a church family, we are going to walk through the Gospel of Mark to learn what Jesus values. We will ask ourselves, "Do our family values line up with Jesus' values?" and take steps each week to align our family values with God's values for our lives.

**THANK YOU FOR JOINING US TODAY.
