

Family Values | Pastor Tim Bollinger Our Family Believes the Impossible | Mark

What do you **value** most in your life?

Every family has a **set of values**, whether they have written them out or not.

If you were to analyze your **family calendar**, what would it communicate about your **family values**?

If you were to analyze your **family finances**, what would it communicate about your **family values**?

The goal of this sermon series is to walk through the **Gospel of Mark** in order to learn what Jesus' values.

We will ask ourselves, do our **family values** line up with **Jesus' values**?

Family Values | Sermon Series
