## Future / Past (Palm Sunday) | Heard / Here Christian McClain | Mark 11:1-10

The story of Holy Week welcomes and includes YOU!

Jesus **covers** our **past**, and **changes** our **future**.

Is the name of Jesus and the story of Easter one that you have merely **heard**, or do you know that He's **here**?

1. Jesus was \_\_\_\_\_,  
(and He brings a \_\_\_\_\_.)

Mark 11:1-10  
Chair Bible 847

The Savior they had only heard of was now here.

2. Jesus is in \_\_\_\_\_,  
(and He brings \_\_\_\_\_.)

The story was bigger than they could have known.

Jesus did not just come to save them from their enemies in war, He came to save them from THE enemy of sin and death.

Jesus was saving more than a nation or a situation, He was saving generation after generation after generation of His people.

3. Jesus has a \_\_\_\_\_,  
(and He gives us \_\_\_\_\_.)

Maybe for **you**: the Savior you have heard of is HERE. And He's welcoming you into the story.

Maybe for **someone you know**: this story is one they have only heard, and now it's time for us to let them know He's HERE.
