JUNE 2019

A PLACE TO CALL HOME

JUNE SERMON SERIES

As we continue our year-long journey in owning our influence, we take a look at the five main icons in the Bible and see the incredible influence that they had on not only God's people of their time, but also on God's people for all time. To be an icon of influence doesn't mean we have it all together, but that we have a God who keeps it all together. It's through His power that these men are icons of influence, and it's through His power that you too will be an icon of influence.

Everyone loves a new pair of shoes, but what if you couldn't afford to buy them? This is a problem kids are experiencing all over Africa. Our **Kicks 4 Kids** initiative, led by our South African Mission Trip attendees, is collecting 100 pairs of new tennis shoes/sneakers with laces for kids in Africa. Let's help solve this problem.

Simply pick up a tag in Fellowship Hall on **Sunday, June 9 or 16** and bless a boy or girl with new shoes. Return the shoes (without the box) by Sunday, July 7.

It takes a whole bunch of great people to make this place we call home operate each week. From making coffee and greeting people to singing in the worship band and doing tech behind the scenes, we couldn't do it without all of YOU!

Check out all the ways you can get involved at SG on our website.
