It all seems too good to be true, right? Maybe you've read an ancient Old Testament passage in which God showed up through a miracle, or a New Testament text where Jesus did something to shock the crowds around him. Maybe you've thought, "Well, that's great, but what about us? I'm still waiting for a miracle in my life." Miracles can seem like a distant past, but what if we knew that miracles still happen every day, all around us? What if our eyes were opened to see that Jesus is still at work today, in your life, and in every life around us? Through Him, we not only hope for the miracle, we believe in the Unbelievable.

Serving is what Jesus calls us to do. It fulfills us, deepens our faith, strengthens friendships & the church, and helps heal our communities.

Its time to come together and give back to our community. Grab your friends and join us as we gather for two days to paint, landscape, fix up houses and more throughout the metro-Detroit area. Many locations and skill levels available for all ages.
