SEPTEMBER sermon series

Life seems to get busier and crazier with every step forward. We're deep into a binge hungry culture that is always seeking more, faster.

ON DEMAND

september sermon series

In this series, let's take a look at how God, the one who created us and designed us, would set our priorities. Through looking at the book of Hebrews we're going to see how we can keep our margins in place and our binging in check, and maybe, just maybe we'll get to take a deep breath and experience the better life He designed for us.

Moms CONNECT

Join us the 2nd & 4th Wednesdays of each month at 9:30a beginning September 25.

As a Mom, you need to connect with other moms who are going through the same things you are—sleepless nights, toys all over the house, endless laundry. That's why we designed Moms Connect, a small group where mothers gather to form friendships and do life together. Come hangout with other moms and enjoy socializing, praying, eating and making projects together. You will get a break and have peace of mind your little ones (ages infant through 4 years old) are safe in our SG Nursery.
