

READING PLAN

It's amazing how difficult it's become to believe what you hear, see or read. In fact, most of us have developed a healthy skepticism when taking in the news or scrolling through our favorite social media app. But it gets real quickly, when thinking about our own life. What's the best way to live? What voices should I listen to? How can I tell true knowledge from false lies? Incredibly, the book of 2 Peter in the Bible addresses these very issues, making a text written 2000 years ago seem as fresh and relevant as the latest tweet...and definitely more trustworthy! Join us as we explore the book of 2 Peter and get clued in to the principles for successfully navigating life today...and into the future.

October 2

Read 2 Peter 1:1-2
