

BOOK OF
GENESIS
prologue

READING PLAN

↓ The opening of a play or book sets the stage for the entire story. We love learning how our favorite heroes got their start, but what about the beginning of the greatest story of all time? The book of Genesis reveals the epic adventure of creation, the fall of man...oh and a big flood too. But did you know it also covers marriage, murder, and much more? Find out how the prologue helps us make sense of today's world and our own personal story too.
