

HOLY WEEK &

easter

READING PLAN | love remains

There have been countless books, movies, poems, and songs, on the theme of love. Love has birthed nations and started wars. It's fulfilled (and rejected) hopes and dreams for millennia. But for one-week 2000 years ago, love faced its most difficult hour and its most enduring triumph. This week we look at the greatest expression of love, ever, and how it resonates in our lives today. This week we celebrate that in the end, love conquers all.
