

CHURCH MUCH?

SERMON SERIES

READING PLAN

In the last few years, culture has shifted in many areas. Some say the pandemic accelerated the pace of changes already taking place. Post Pandemic, we're all still figuring out what it means to live in a world that has changed. But what about church? How does it fit into the new reality? Find out as we explore four timeless concepts that define church, how they work in today's new world, and why it's never been a better time to be a part of a local church.
